Donald,

I just wanted to drop you a quick note of 'Thanks' for fitting the Supremex group into your busy schedule. I've had wonderfully positive feedback on your presentation, and we tend to be unduly harsh critics!

Seriously, many have said they got great take-home value, can see where I've been trying to lead them now and equally as important, they were entertained! So from where I sit, I'd say you were a hit!

Thanks again Donald, and I look forward to working with you again soon!
